

Traditional setting

FOR the first time in several years Monks Eleigh church fete was held in its traditional setting on Saturday — the Old Rectory garden, by permission of Mr and Mrs Kit Sharman.

The rain held off during the event which was attended by a large crowd and raised about £1,200 for church funds.

Apart from children's races, numerous stalls and a raffle there was a children's competition for a drawing of the Rector, Canon John Fitch, which will be included in a scrapbook to be presented to him when he retires.
